Campus**

Haritha Haram Program

The Haritha Haram program of planting of samplings was carried out by many students of B. Pharmacy and Pharm.D at a village around Jayamukhi College Campus on 23rd July 2016.

The main objectives of this program are to:

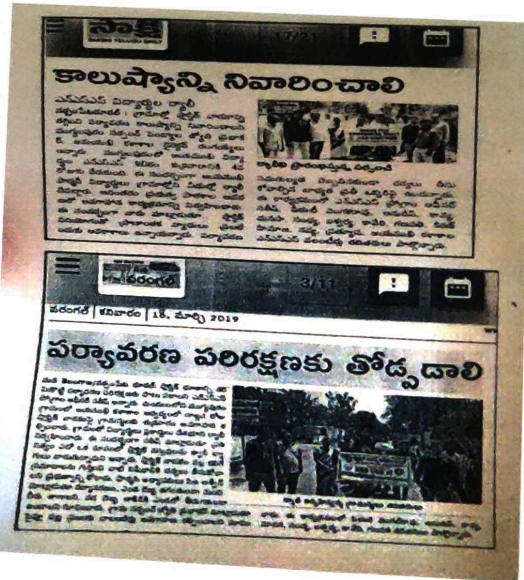

- Haritha Haram is regimen which will help us plant more and more trees so that we can protect our environment.
- Trees also help us to reduce global warming and Haritha Haram is a great mission to cut down on the score of global warming for India.
- Haritha Haram will help us increase the forest cover from 24 % to 33 %. Trees make the soil fertile and because of it crops grow well.
- To decrease the effects of deforestation.
- Haritha Haram can solve the environmental problems like global warming, acid rains, drought.

Awareness about Plastic Pollution

Jayamukhi College of Pharmacy organized awareness program on plastic pollution on 18th March 2019. This Program educated villagers not to use plastic and if used to collect them. Jayamukhi College of Pharmacy had offered to exchange the plastic with rice. If the villagers will give us 2 kg of plastic, Jayamukhi College of Pharmacy will give them half kg of rice in return. so that by this improper disposal of plastic can be stopped.
