Date: 02/08/2022

ORDER

Sub: Constitution of **Research and Development Cell** – orders issued

Research and development cell improves the quality of research work and make research easier and more appealing. This cell encourages the faculty members to pursue their own research initiatives and motivate pupils to write reviews and research papers. Encourage faculty and students to participate in national and international seminars, workshops and conferences outside of college meetings. Motivate faculty to obtain research subsidies from granting agencies and promote research with commercialization potential.

The following Research and Development Cell is constituted as per norms

S No	Name of the faculty	Designation	Position
1.	Dr S Vasudeva Murthy	Professor & Principal	Chair Person
2.	Dr B Naveen Kumar	Associate Professor	Coordinator
3.	P Santosh Kumar	Assistant Professor	Member
4.	T Smitha	Assistant Professor	Member
5.	P Anusha	Assistant Professor	Member
6.	T Ashwin Kumar	Assistant Professor	Member

Objectives of Research and Development Cell

To promote and conduct research activities

To publish the research activities in indexed journals

Encourage the students to participate in conference, workshops, seminars

Copy to:

1. Department HoDs of Pharmacology, Pharmaceutics and Pharm D

Date: 09/08/2022

ORDER

Sub: Constitution of Intellectual Property Rights Cell (IIC) – orders issued

Intellectual Property Rights cell provide facilities to generate and safeguard intellectual property of the Institute. Guide faculty and students on how to acquire and maintain patents at the institute level. Offer the institute with a complete single-window reference system for all intellectual property concerns. It helps to obtain appropriate authorization in filing a patent, copyright or design. Provide legal assistance as needed to defend and safeguard the institute's created intellectual property against infringement and illegal usage. To develop models on behalf of the institute in order to commercialize patented research.

The following Intellectual Property Rights Cell is constituted as per norms

S No	Name of the faculty	Designation	Position
1.	Dr S Vasudeva Murthy	Professor & Principal	Chair Person
2.	K Jyothi	Assistant Professor	Coordinator
3.	M HimaBindu	Assistant Professor	Member
4.	Dr P UshaSree	Assistant Professor	Member
5.	M Nirmala	Assistant Professor	Member
6.	T Ashwin Kumar	Assistant Professor	Member

Objectives of Intellectual Property Rights cell

To conduct the research activities generating patents

To host a number of IPR- related lectures and workshops in the institution

Copy to:

Date: 18/07/2022

ORDER

Sub: Constitution of **Entrepreneurship and Skill Development Cell (EDP)** – orders issued

Entrepreneurship and skill development cell is to create a forum for entrepreneurs in the pharmacy area by, encouraging students to build their own business. Establish stronger ties between the parent institution, regional industries, and R&D institutions, as well as other organizations involved in promotion. Instill entrepreneurial skills through a variety of training platforms, including NGOs and Small and Medium Enterprises (SMEs) among attendees.

The following Entrepreneurship and Skill Development Cell constituted as per norms

S No	Name of the faculty	Signature	
1.	Dr S Vasudeva Murthy	Professor & Principal	Chair Person
2.	Dr G Hemalatha	Assistant Professor	Coordinator
3.	M.Sruthi	Assistant Professor	Member
4.	R Naresh	Assistant Professor	Member
5.	S Mounika	Assistant Professor	Member
6.	M.Sai Chandra	Assistant Professor	Member

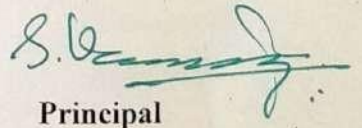

Objectives of Entrepreneurship and skill development cell

To inspire students to pursue entrepreneurship

Arrange for prospective entrepreneurs to tour various industries.

To host a number of EDP related lectures and workshops in the institution.

Copy to:

ORDER

Sub: Constitution of Industry Institute Interaction Cell (IIIC) – orders issued

Industry Institute Interaction cell forms partnership in collaboration with industry, conduct seminars, workshops and conferences. Promote Memorandums of Understanding (MOUs) with various industries. Collaborative research initiatives with industries are being developed. Organize training programs/internships in various industries.

The following Industry Institute Interaction Cell constituted as per norms

S No	Name of the faculty	Signature	Position
1.	Dr S Vasudeva Murthy	Professor & Principal	Chair Person
2.	DrSyedaNishatFathima	Assistant Professor	Coordinator
3.	G Swetha	Assistant Professor	Member
4.	N Aravind Kumar	Assistant Professor	Member
5.	M.Anil	Assistant Professor	Member
6.	Dr S ManojBabu	Assistant Professor	Member

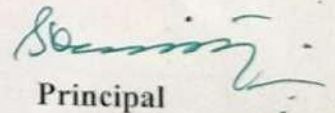

Objectives of Industry Institute Interaction cell

To invite industry personnel to give Guest Lectures

Students and staff will be taken on field trips to businesses.

ORDER

Sub: Constitution of **Institutional Innovation Cell (IIC)** – orders issued

The institutions research policy supports publication in journals with an impact factor provided by Thomson Reuters and is indexed in Pubmed, Scopus, and Web of Science. Present their research activities in reputable presentations and publications at national and international conferences. The research must have the potential to result in patents, must be useful for society and industry, and may also lead to additional research. This committee oversees all research efforts at the Institute, which are coordinated by the relevant HoD and other senior faculty members. Regulates uphold of the highest ethical standards in research observing adherence to research ethics and plagiarism. Academic integrity and honesty are requirements for all researchers, and failure to meet these standards may result in disciplinary action. The principal and the committee will assess the results of the research being conducted at the institution on a periodic basis and may make necessary revisions, if any, to the Research Policy in need. The committee convenes whenever necessary and meets twice a year.

The following Institutional Innovation Cell constituted as per norms

S.No	Name of IIC Member	Teaching / Non Teaching External Expert, Student	Position
1.	DrS Vasudeva Murthy	Principal	IIC President
2.	Dr M Baswaraju	Teaching	IIC Convenor
3.	DrSyedaNishatFathima	Teaching	IPR Convenor
4.	T.Smitha	Teaching	Innovation activity co-ordinator
5.	M.Rakesh	Teaching	Member
6.	CH:Ratnakar	Non-Teaching	Internship co-ordinator
7.	Mahesh	External Expert	Bank or Investor
8.	V L Sai Kumar	External Expert	Patent Expert
9.	K.Karthik	External Expert	Expert/Expert from nearby Industry
10.	D.Karthik	Student	Innovation co-ordinator
11.	D Hanish	Student	IPR co-ordinator
12.	M.Bhanukiran	Student	Innovative co-ordinator

Abstract:
Abstract:

Artificial intelligence-based system to direct the drugs to the faulty DNA sequences and correct the erroneous genome sequence is the proposed invention. The invention implements algorithms of Artificial Intelligence for analysing the DNA sequences and directing the drugs directly to the faulty genome sequences. The drugs are directed to the intention of correcting the erroneous genome sequences especially while treating diseases like cancer.

Complete Specification
Complete Specification

Description:[0001] Background description includes information that may be useful in understanding the present invention. It is not an admission that any of the information provided herein is prior art or relevant to the presently claimed invention, or that any publication specifically or implicitly referenced is prior art.

[0002] Genomics is study of genes is making it possible to predict, diagnose and treat diseases more precisely and personally than ever. The complete set of DNA Material) in an organism is gene sequences. The genome contains all the information needed for a person to develop and grow. Routine genome sequencing could overwhelm doctors and patients with confusing and sometimes alarming information, leading to anxiety and stress.

[0003] A number of different types of genome analysis techniques that are known in the prior art. For example, the following patents are provided for their support teachings and are all incorporated by reference.

[0004] Artificial intelligence in drug discovery: what is realistic, what are illusions? Part 1: Ways to make an impact, and why we are not there yet Although artificial intelligence (AI) has had a profound impact on areas such as image recognition, comparable advances in drug discovery are rare. This article quantifies the stages of discovery in which improvements in the time taken, success rate or affordability will have the most profound overall impact on bringing new drugs to market. Clinical success rates will have the most profound impact on improving success in drug discovery; in other words, the quality of decisions regarding which compound to take forward (and how to conduct clinical trials) are more important than speed or cost. Although current advances in AI focus on how to make a given compound, the question of which compound to make, using clinical efficacy and safety-related end points, has received significantly less attention. As a consequence, current proxy measures and available data cannot fully utilize the potential of AI in drug discovery, in particular when it comes to drug efficacy and safety in vivo.

[0005] A change in a gene is called a fault or mutation. These faults can make a cell stop working properly. It may then become cancerous and divide and grow.

TO WHOMSOEVER IT MAY CONCERN:

The Jayamukhi College of Pharmacy constituted Institutional Review Board for the academic year 2022-2023 with following members and constituted as per **Indian Council of Medical Research (ICMR)-2017** Ethical guidelines. This is to approve the scientific design and permit the students, research scholar and faculty members to conduct research admitted under pharmacy program.

The IRB members study and approve the appropriateness, objectives, statistical methodology (including sample size) and recruitment of the project participants for the approved research works.

ANNEXURE-I

INSTITUTIONAL ANIMAL ETHICAL COMMITTEE

MINUTES OF THE INSTITUTIONAL ANIMAL ETHICAL COMMITTEE MEETING

The meeting of Institutional Animal Ethical Committee (1371/PO/Re/S/10/CPCSEA) of Jayamukhi College of Pharmacy and the CPCSEA nominees was held on 25th August 2023 at 10:30AM.

Following IAEC members were present

1. **Dr. S. Vasudeva Murthy**
Biological Scientist (Chairperson)
2. **Dr. Syeda Nishat Fathima**
Scientist in charge of animal house facility (Member Secretary)
3. **Dr. G. Hemalatha**
(Scientist from different biological discipline)
4. **Dr. Malladi Srinivas Reddy**
(Main Nominee)
5. **Dr. Vatipelli Mahender**
(Link Nominee)
6. **Dr. Korra Parushuram Naik**
(Scientist from outside the institute)
7. **Dr. Syed Muzammil Afzal**
(Socially Aware Nominee)
8. **Mr. Ch. Ratnakar Rao**
(Scientist from different biological discipline)
9. **Dr. P. Vijay Kumar**
(Veterinarian)

At the outset, the Chairman welcomed the participants.

The CPCSEA nominees visited the animal house facility earlier have given the following suggestions:

- Proper ventilation and lighting
- CCTV to be installed
- Hygrometer to be installed

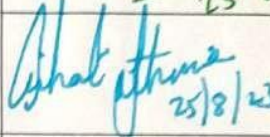

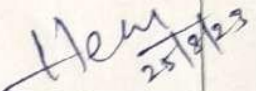

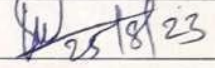

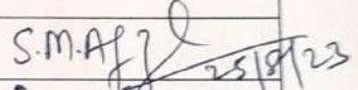

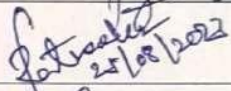

The next meeting will be held in January, 2024

The meeting ended with vote of thanks to the Chair.

ANNEXURE-II

1. **Dr. S. Vasudeva Murthy**
Biological Scientist (Chairperson)
2. **Dr. Syeda Nishat Fathima**
Scientist in charge of animal house facility (Member Secretary)
3. **Dr. G. Hemalatha**
(Scientist from different biological discipline)
4. **Dr. Malladi Srinivas Reddy**
(Main Nominee)
5. **Dr. Vatipelli Mahender**
(Link Nominee)
6. **Dr. Korra Parushuram Naik**
(Scientist from outside the institute)
7. **Dr. Syed Muzammil Afzal**
(Socially Aware Nominee)
8. **Mr. Ch. Ratnakar Rao**
(Scientist from different biological discipline)
9. **Dr. P. Vijay Kumar**
(Veterinarian)

Attendance Sheet of the IAEC members present in the meeting:

S.No.	Name	Designation in IAEC	Signature with Date

**MEMORANDUM OF UNDERSTANDING
BETWEEN**

DATTA MEGHE INSTITUTE OF MEDICAL SCIENCES
(Deemed to be University; NAAC; A+ grade),
Sawangi (Meghe), Wardha, Maharashtra, India.
Hereinafter referred as **DMIMS**

&

Vaagdevi Group of Pharmacy Institutions (VGI)

Includes - Vaagdevi college of pharmacy, Vaagdevi Pharmacy College, Vaagdevi
college of physiotherapy,
Vaagdevi Institute of pharmaceutical sciences & Jaymukhi college of pharmacy

Herein after referred as **VGI**

Preamble:

DMIMS & VGI is signing a memorandum of understanding (hereinafter - MoU) on this day of 2 April 2022, and will be valid till day of 7 April 2025 (3 yrs.); for mutual Collaboration in the field of research & education.

The said MoU will facilitate the collaborative progress and will find to be immensely beneficiary to both the institutions. It is unanimously resolved that this MOU will create scientific research activities between the two institutions with the following terms and conditions.

RECOGNISING the mutual interest in the fields of research, development, educational training, will facilitate and disseminate knowledge on long term non-commercial basis towards the students and teachers of **VGI**

Article 1: Field of Collaboration

Collaboration between the two institutions may be established within any field related to science and technology of mutual interest and in particular research and patient care. Extension to other areas will be made through further amendments to the present MoU.

Article 2: Students Internship/ Externship

VGI will provide facilities to do externship (3 months/yr) in DMIMS. The training fees, travel and/or living allowances to trainees will be provided by VGI or by students themselves. The student selection will be need based.

Similarly, faculty/students from DMIMS can also be sent for training to VGI. The DMIMS may not provide any stipend to the students/faculty for their training in VGI. However, VGI can provide accommodation at free or on nominal charge per day. Both parties would provide certificates to the students/faculty for the time period they are doing Internship/externship with the respective parties.

2.1. Principles of Collaboration:

1. To promote individual contacts among scholars and personnel of both the Institutions.
2. To provide opportunities for both staff and students to use, to the maximum, the expertise and facilities available in both the Institutions through training of students/staff and through exchange of thoughts by brain storming sessions/seminars/workshops and conferentes.
3. To share knowledge resources of each other within the mutually agreed framework.
4. To work jointly for the common research interest at national and international level. This includes preparation of proposals and their implementation as per the national health priorities.
5. To support the exchange of academic and training material including access to library and other digital resources of each other.

6. To encourage any other activities that both the institutions agreed to be of mutual benefit.

7. To enhance the relationship between the Parties through the promotion and development of collaborative research programs, academic and cultural exchange programs and other cooperative activities and assistance in areas of mutual interest and benefit. The Parties anticipate that such activities may include any or all of the following:

- I. Exchange of academic staff and researchers
- II. Exchange of students
- III. Collaborative research and joint academic meetings
- IV. Development, organization and hosting of joint academic and cultural symposia, conferences, workshops and meetings
- V. Exchange of information, advice and assistance relating to areas of mutual interest including, but not limited to, research activities, obtaining grants and funding, technology transfer and research commercialization, development of educational and training programs, staff retention, and long range planning and institutional development and
- VI. Other activities of mutual benefit for the Parties.

Article 3: Joint Supervision of Student Project.

- 3.1 As part of collaboration, the faculty of both institutes may jointly supervise research project of students.
- 3.2 The details for projects of students will be worked out by the respective persons of both institutions.
- 3.3 The student should first submit a project proposal which has to be authorized by both the institutions.
- 3.4 Both the institutes will hold intellectual property rights on any research or project being jointly done.
- 3.5 Publication of the same will be done in joint collaborations.

Article 4: Research Projects

- 4.1 Efforts will be made to write and conduct research project by both institutions and provide information about on-going research activities in order to establish contacts and collaboration between professionals working within the same field.

- 4.2 Research projects and the composition of research teams will be approved by the both institutions. Efforts will be made to evaluate the need for participating staff and the location of the research activity.
- 4.3 Each research project will be jointly lead by both institutions team leader, who will be responsible for reporting on the project status.
- 4.4 Both the institutes will hold intellectual property rights on any research or project being jointly done.
- 4.5 Publication of the same will be done in joint collaborations.

Article 5: Funding and Finance

Information on research results and their application and scientific materials will be exchanged free of charge on returnable basis wherever possible.

Article 6: Link Management and Administration

Negotiation, implementation and co-ordination of the MoU falls under the responsibility of both, the Registrar, DMIMS and Director, R&D, VGI. The MoU will take effect from the date it is signed by both parties.

Article 7: General Provisions.

- 7.1 The two institutions will carry out joint research as a follow up to this MoU. The activities must be carried out in accordance with appropriate laws and regulations existing in country.
- 7.2 The two institutions shall initiate an exchange of research publications, publication lists and other official publications.
- 7.3 All publications resulting from the collaboration between the two institutions will be mentioned in the scientific reports of the institutions. Likewise, this MoU must also be mentioned in all formal presentations, which result from the collaboration under the terms of this MoU.
- 7.4 This MoU is signed subject to appropriate authorization on both sides.

Article 8: Validity Period

This MOU shall be valid for a period of three years (day of 8th April 2022 to day of 7th April 2025) from the date of signing. At the end of validity period of the MoU, a fresh MoU with similar/modified terms may be considered for signing. In witness whereof the two

parties have signed this memorandum of understanding by both the parties on date, month and year referred above.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is made on 16th February 2023 between

NSR APOLLO REACH HOSPITALS, Kothapeta X Roads, Arepally, Hanamkonda, Warangal, Telangana-506006, which is represented by its Medical Superintendent/Medical Director herein named as party ONE.

and

JAYAMUKHI COLLEGE OF PHARMACY, Narsampet, Warangal, Telangana-506332. Affiliated to Kakatiya University, represented by its Principal herein named as party TWO.

The parties hitherto agree as follows:

1. Party one declares that NSR APOLLO REACH HOSPITALS, Kothapeta X Roads, Arepally, Hanamkonda, Warangal, Telangana-506006 is a three hundred (300) bedded hospital, with a minimum of 120 beds for General Medicine Department.
2. Party one agrees to provide to party two the minimum space necessary of 1200 square feet in the hospital building to establish Pharmacy Practice department for the conduct of Pharm.D programs.
3. Party one agrees to provide preceptors required to train the Pharm.D students.
4. Party one agrees that, it will not enter into similar agreement with any other Pharmacy institution's or department's offering or intend to offer Pharm.D programs.

S. Vasudeva Murthy
Principal
Jayamukhi College of Pharmacy
Narsampet-506 332.

5. Party one declares that-

Tick the relevant

a) Hospital and institution with which it is signing the MOU are within the same limits of Corporation or Municipality or Campus with Medical Faculty involvement as adjunct faculty.

OR

b) If the institution and hospital are located in different Corporation or Municipality or Campus, the distance between the two is not more than 30 kms. by road.

Memorandum of Understanding (MoU) for Pharmacy Student Training

This agreement outlines a collaborative effort between **Blooms, The Pharmacy** and **Jayamukhi College of Pharmacy** to provide valuable learning experiences for students enrolled in the Institution's pharmacy programs.

Goals:

- Offer practical training opportunities to solidify classroom knowledge and skills.
- Equip students with practical experience to prepare them for successful careers.
- Establish a strong connection between the academic world and the pharmacy profession.
- Pharmacy agrees to accommodate qualified students from the Institution's programs for practical training.
- Collaboratively design a detailed training plan that aligns with the Institution's curriculum and the Pharmacy's specific expertise.
- Pharmacy will assign experienced pharmacists to mentor and guide students during their training.
- Students will gain hands-on experience in various aspects of pharmacy operations, including:
 - Dispensing medications
 - Patient interaction and counseling
 - Inventory management
 - Compounding medications (if applicable)
 - Observing medication safety practices
- Students gain valuable real-world experience and professional insights.
- Pharmacy contributes to developing future generations of competent pharmacists.
- Institution enhances the practical components of its curriculum.

This Memorandum of Understanding ("MoU") is made and entered into as of **22-05-2022** by and between:

Blooms, The Pharmacy, Hanumakonda, hereinafter referred to as Party One; and Jayamukhi College Pharmacy, Narsampet, Telangana hereinafter referred to as Party Two.

WHEREAS, Party One operates a pharmacy and desires to provide practical training opportunities for pharmacy students; and

WHEREAS, Party Two is an educational institution that offers pharmacy degree programs and desires to enhance its students' practical knowledge and skills;

The purpose of this MoU is to establish a collaborative relationship between Party One and Party Two to provide pharmacy students enrolled in Party Two's programs with practical training opportunities at Party One's pharmacy.

Responsibilities of Party One:

Provide training opportunities: Party One agrees to offer practical training opportunities to qualified pharmacy students enrolled in Party Two's programs.

Develop training plan: In collaboration with Party Two, develop a training plan outlining the learning objectives, duration, and expected activities for students.

Assign qualified preceptors: Assign qualified pharmacists to serve as preceptors to guide and supervise students during their training.

Provide resources and equipment: Provide students with access to necessary resources and equipment for their training, within the scope of the agreed-upon training plan.

Comply with regulations: Ensure compliance with all applicable laws and regulations regarding pharmacy practice and student training.

Responsibilities of Party Two:

Select qualified students: Select qualified students from their pharmacy programs to participate in the training program based on agreed-upon criteria.

Prepare students: Prepare students for the training program by providing them with the necessary knowledge and skills through their academic curriculum.

Monitor student performance: Monitor students' performance during the training program and provide feedback to Party One.

Ensure that students comply with all policies and procedures of Party One during the training program.

This MoU shall be effective as of the date first written above and shall remain in effect for a period of ONE year, unless earlier terminated by either party upon 30 days' written notice to the other party.

This MoU constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous communications, representations, or agreements, whether oral or written.
