As used in this Agreement, the term "person" shall be broadly interpreted to include, without limitation, any corporation, company, partnership or individual

3. In the event that either Party is required by law or any judicial or governmental order or otherwise to disclose any Confidential Information, it must do so and provide the other party with notice of the same.
4. All Confidential Information shall be clearly marked or stated at the time of disclosure as being "Confidential" in order for such information to be deemed "Confidential Information" for purposes hereof and any Information disclosed to the Party by the other Party orally or visually and identified at that time as confidential shall be considered Confidential Information even if it is not reduced to tangible form and not marked as "Confidential" when transmitted to the other Party. Confidential Information does not include information that the Parties can reasonably prove, falls within any of the following: (i) information that either is legally in the Parties possession or in the public domain prior to the disclosure of such information (ii) information that, subsequent to its disclosure, has entered the public domain without any violation of this Agreement by the Parties; (iii) information that becomes legally available to the Parties does not, violate any contractual or legal obligation such third party has to the Parties with respect to such information; (iv) information that is independently acquired or developed by the Parties; or (v) information that is explicitly approved for release by written authorization of the Parties.
5. For purposes of complying with the obligations set forth herein, the Parties shall use all efforts fully commensurate with those that it employs for the protection of its own privileged and confidential information.
6. No license expressed or implied in the Confidential Information is granted to the Parties other than for the use of the Information in the manner and extent authorized by this Agreement.
7. Both the Parties agree that Confidential Information is and shall at all times remain the property of the respective Party. Both the Parties acknowledge that the Confidential Information is Confidential and material to the interests, business and affairs of the disclosing Party and that the disclosure thereof (other than as permitted under this Agreement) would be detrimental to the interests, business and affairs of the Party. No disclosure of Confidential Information is permitted except as otherwise provided herein and no grant under intellectual property rights is hereby given or intended, including any license (implied or otherwise).
8. Upon the request of either of the Party, the other Party will return or destroy all Confidential Information and any notes, correspondence, analyses, documents or other records containing Confidential Information, including all copies thereof, then in their or its Representatives possession. Such return, however, does not abrogate the continuing obligations of the Parties under this Agreement.
9. The obligation of each of the Parties to comply with the provisions contained herein excluding non disclosure of Confidential Information, shall continue for a period of five years commencing upon the date hereof.

10. The Parties understand and agree that any failure or delay by either Party in exercising any right, power or privilege hereunder shall not operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege hereunder.
11. This Agreement shall be governed and constructed in accordance with the laws of India, and the Parties submit to the jurisdiction of the Courts in Cochin, India

IN WITNESS WHEREOF, each of the Parties has caused this Agreement to be executed by its duly authorized officers as of the date first written above.

Dear Dr. Vasudeva Murthy (Principal)

Greetings and Best wishes.

I am arranging for the requested samples of our products. Within 5 or six days, you will be able to get them. Or, I will let you know when the samples are ready here and if possible, you can send one of your Students to come here to pick them up.

Regards

Natarajan

Sr,

While thanking Sami Lab and you for the generous support in the past for providing samples of Piperine and Ashwagandha (Withaniasomnifera) Standardized Extract in the year 2012.

I am happy to share that received AICTE grant under Research Promotion Scheme to work on Electroencephalography of few phytoconstituents and some API in rodent model to extract details on the actions of the drugs on alpha, beta, theta, delta and gamma bands mof EEG.

In this regard I am requesting your good self to provide "minimum quantity" of the following phytochemicals.

- 1 Ashwagandha (Withania somnifera) Standardized Extract
  - 2 Bacopin® (Bacopa monniera)
- Standardized Extract 50% Bacosides A & B
