MoU entered between Jayamukhi College of Pharmacy and Srinivasa heart Centre on this day 21-08-2017 between Dr Srinivas Ramaka who is the Consultant Cardiologist, Srinivasa Heart Centre and Chairman, Srinivasa Heart Foundation.

Scope of agreement:

Mutually agreed educational and research programs

Conduct programs under the ART initiative which has been started by Dr Srinivasa Ramaka aiming at conducting Awareness programs on health in general and CVD in particular, Research and teaching and Training programs.

In matters of conduct of research and publication, all aspects of ethical guidelines will be followed.

Period of agreement: Either party/ institutions may terminate the agreement by providing notice to the other party in writing.

It is expected that activities taking place under this Agreement will be initiated primarily by academic units within each institution, and in coordination with their respective administrative units concerned with academic activities. All activities undertaken must conform to the policies and procedures in place at each institution.

Planning and Management of Activities – Each distinct collaboration program or activity will be described in a separate Activity Agreement drawn up jointly and signed by authorized signatories of each party. Such agreements will specify the names of those individuals on each campus responsible for the implementation of the program and set forth all terms and conditions associated with the activity. The parties understand that each Activity Agreement may have different circumstances with respect to the personnel, types of activities, intellectual property and other deliverables that either Party may be required to contribute

Modification – The terms of this Agreement may be changed or modified only by written amendment signed by authorized agents of the parties hereto

Funding of Activities – Activity Agreements should make financial costs and obligations explicit. Collaborating units are encouraged to work together to identify and secure any outside funding which may be needed. Projects requiring funding must be approved by both institutions.

Financial obligation: There is no matter of financial obligation on part of either institution in matters of conduct of academics. However if any such issues arise in matters of cost, it will be mutually discussed and implemented.

This agreement is Nonbinding and is solely for the purpose of establishing a basis upon which either institution will continue discussions. Either institution may at its sole discretion terminate discussions for any reason by giving written notice of termination to the other. In the case of a dispute that arises relating to any aspect of cooperation under this Agreement, the parties may attempt to resolve such dispute through friendly negotiation, or either party may elect to terminate the agreement pursuant to the previous provision. Upon termination, the parties will have no further obligations hereunder.

Nondiscrimination—Either institutions agree that no person shall on the grounds of race, religion, color, sex, age, national origin or ancestry, genetic information, marital status, parental status, sexual orientation, gender identity and expression, disability, or status as a veteran be excluded from participation under the terms of this Agreement

Use of Name—Either institution will not use the name or logo of either institutions or of any member of, in any publicity, advertising, or news release or matters of funding without the prior written approval of an authorized representative.

In witness WHEREOF, have executed this Agreement as of the date first above written.

This MOU shall be effective upon the signature of both the Parties (First Party and Second Party) authorized officials. It shall be in force from 21-8-2017 for a period of six years from the date of MoU.
