Proceedings of Haritha Haram Program

Haritha Haram a mission taken by the state of Telangana for afforestation was conducted in the premises of Jayamukhi College of Pharmacy on 3rd July, 2017.

The main objectives of this program are to:

- Haritha Haram is regimen which will help us plant more and more trees so that we can protect our environment.
- Trees also help us to reduce global warming and Haritha Haram is a great mission to cut down on the score of global warming for India.
- Haritha Haram will help us increase the forest cover from 24 % to 33 %. Trees make the soil fertile and because of it crops grow well.
- To decrease the effects of deforestation.
- Haritha Haram can solve the environmental problems like global warming, acid rains, drought.

Students and faculty members planted saplings in the campus.
